THE DETROIT DEPARTMENT OF ELECTIONS works hard to facilitate professional elections whereby every citizen is educated, engaged and feel a part of the process. This past Presidential Election was a testament to that and as a result we efficiently processed a record number of voters. It is important to our community that we keep the momentum going.

On Tuesday, February 24, 2009, a Special Primary will be held in Detroit for the purpose of nominating candidates for Mayor. This is **your** primary Detroit! It specifically gives **you** the opportunity to voice **your** opinion as to who should lead our great City. Lets make a meaningful contribution to our fellow citizens by voting. We must remember that when we

vote on Election Day, that we take with us the hope of better days for our children and our City. Lets ensure that Detroit's best days are yet to come. Lets Vote because it's not only our right, it's the right thing to do!

REMEMBER:

To determine your respective district, precinct and Election Day polling location please refer to the above chart. You must vote at your assigned district and precinct. Michigan Election Law mandates that the address on your driver's license or state identification card must match your voter registration address. Therefore, if the address on your driver's license or state identification card is different from the address above, you are not registered to vote in the

district and precinct indicated. When going to vote on Election Day, be prepared to show an acceptable form of photo identification. If you do not have photo identification, to vote you must fill out and sign an affidavit. Study your sample ballot and the voting instructions before Election Day and you will be properly equipped to vote. If you are not certain where to vote or need additional information regarding the Special Primary Election, contact the Registration Division of the Department of Elections at (313) 876-0190. The polls open at 7:00 a.m. and close at 8:00 p.m.. Anyone in line before the polls close will be allowed to vote. When voting, fill in the oval to the right of the name of the candidate of your choice.
